

Newton Flag Project

Design Contest Entry Form

Please create your design in the space provided above. Remember to follow these basic guidelines:

1. **Keep it simple** – The flag should be so simple that a child can draw it from memory.
2. **Use meaningful symbolism** – The flag's images, colors, or patterns should relate to or tell a compelling story about the community.
3. **No lettering or seals** – Never use writing of any kind or an organization's seal.
4. **Use 2-3 basic colors**
5. **Be distinctive or be related** – Avoid duplicating other flags, but use similarities to show connections.
6. **Timeless** – Avoid using features that will become dated or obsolete.
7. **Structure** – Images should be legible on both front and back of the flag, and legible while flying or hanging.
