Is Your Street Address Posted Correctly?

In the event of an emergency, address numbers on your home or business enable us to find and assist you. Help the Newton Fire/EMS and Police Departments find your address quickly by ensuring your home or business has its numbers posted correctly.

Ordinance 4516-04 of the City of Newton outlines specific requirements for displaying residential and commercial addresses.

- ❖ **Use numbers at least 4 inches high**
- ❖ **Use numbers that contrast the background**
- ❖ **Make sure numbers are visible from the street**

Your local hardware stores, along with Pizza Hut, are sponsoring a campaign to get all addresses posted correctly. Address numbers are available at the following Newton merchants:

B&B Lumber

Graber's Hardware

Claassen Hardware & Lumber

Wal-Mart
