City plans street maintenance in southeast Newton

The City of Newton Street Division will be applying a slurry seal to streets in the southeast part of the city this summer. It will be necessary to close those streets to traffic during application and drying, usually eight to 10 hours. Affected residents will be notified of the street closing one business day in advance of the work by door hanger placed at the front door. Residents should remove parked vehicles from the street prior to closing and keep vehicle and pedestrian traffic off the new surface until the street re-opens. There is no cost to the property owner associated with this project. The following is a list of streets slated for this treatment:

- South Duncan (1st to SE 5th) (SE 12th to SE 13th) (Quail Drive to north end)
- Duncan Terrace
- South High (SE 4th to SE 6th) (SE 12th to SE 13th)
- Lakeshore Drive (Rolling Hills to 500 feet west)
- South Logan (1st to SE 3rd) (SE 12th to SE 13th)
- South Magnolia (SE 3rd to Myrtle) (SE 4th to SE 6th) (SE 12th to SE 13th)
- Meadowbrook Courts
- Meadowbrook Drive (Anderson to Wheatridge)
- Meadowlark Lane
- Muse (1st to SE 2nd) (SE 4th to SE 5th)
- Myrtle (Duncan Terrace to Magnolia)
- Old Main (SE 14th to Windward)
- Park Road
- Parkwood Lane
- South Payton (SE 3rd to SE 6th)
- South Pine (1st to SE 3rd) (SE 4th to SE 14th)
- Quail Creek Avenue
- Quail Drive
- South Quail Court
- Random Road
- Sherman Court
- Sherman Drive (Rolling Hills to Sherman Place)
- Sherman Place
