Part of S.E. 24th Street to be closed Friday

Southeast 24th Street between Old Main and Kansas Avenue will be closed from 7 a.m. to 6 p.m. Friday, March 30, weather permitting. The road closure is necessary to complete sewer work associated with the Old Main paving extension from Turkey Red to 24th Street. If it rains on Friday, the road closure will take place on Monday, April 2.

Vogts Construction and Hwa-Davis Construction are serving as contractors on the project, which is scheduled for completion in late July.
