### South section of Old Main to open Monday

The City of Newton plans to open the new paved section of Old Main from Turkey Red south to Southwest 24<sup>th</sup> Street on Monday afternoon after a final walk-through inspection. The contractor on the paving project was Vogts Construction of North Newton.

This section of Old Main will provide an alternate access point to and from Turkey Red and Wheatridge Additions, which will be important after the Kansas Department of Transportation closes the U.S. 50 and Old Main intersection, which will likely be in the next few weeks.
